Introduction and Summary of FY99 Statistics

The 1998-1999 edition of Iowa Public Library Statistics includes information on income, expenditures, collections, circulation, and other measures, including staff. Each section is arranged by size code, alphabetically by city. The totals and averages for each size code grouping are given immediately following the alphabetical listings. Totals and averages for all reporting libraries are given at the end of each section.

There are 524 libraries included in this publication. The *Table of Cities and Size Codes* lists the libraries alphabetically and gives their size codes. The purpose of the table is to allow a user of this publication to locate information about a specific library.

The following table lists the size code designations, the population range in each size code, the number of libraries reporting in each size code, and the total population of the reporting libraries in each size code. The total population of the 524 reporting libraries is 2,077,868. Population data is used to determine per capita figures used throughout the publication.

Size	Population Range	Number	Total Population
A	Less than 500	137	44,555
B	500-999	130	95,093
C	1,000-2,499	138	211,158
D	2,500-4,999	49	180,011
E	5,000-9,999	37	261,955
F	10,000-24,999	13	216,807
G	25,000-49,999	9	290,048
H	More than 50,000	8	721,027
I	County library	3	57,214

Public library statistics are used at the local, regional, state, and national levels to compare library performance, justify budget requests, track library data over time, assist in planning and evaluation, and provide valuable information for grants and other library programs.

Each of the 50 states collects public library information according to guidelines established by the Federal State Cooperative System for public library data (FSCS). The information contained in the Iowa Public Library Statistics is based on definitions approved by FSCS. Iowa received the Kepple award from FSCS for timely and accurate data in FY99.

FSCS also provides state-by-state rankings for public libraries. According to the most recent data, Iowa public libraries rank as follows in comparison with other states:

Total income-	30	Circulation-	11
State income-	37	Library visits-	14
Salaries-	31	ILL/borrowed-	21
Books/Serials-	14		

The following table compares FY98 and FY99 data for Iowa libraries.

Category	FY98	FY99	% change
Income	74,902,875	76,058,634	1.5
Expenditures	74,203,528	77,159,593	4.0
Collections	12,019,915	12,422,065	3.3
Circulation	25,149,766	23,581,976	-5.1

Iowa Public Library Statistics, 1998-1999

Income

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Income section includes funding received from various government and non-government sources during FY99. The income received per person is also listed.

Size Code	City	Total Income	Income per Capita	City Appropriation	Special City Appropriation	Total County Appropriation	Federal Assistance	Open Access/ Access/ Plus	State of Iowa	Other Contracting Cities	Other Government	Other Grants	Endowments and Gifts	Fines and Fees	Other

Iowa Public Library Statistics, 1998-1999

Expenditures

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Expenditures section includes spending for library operations in various categories such as salaries and other staff costs, books and other materials, plant operations and equipment, and other expenditures, such as supplies. The amount spent per person is also listed.

Size Code	City	Total	Per Capita	Salaries	Fringe Benefits (Library)	Books/Micro-film	Periodicals	Videos	Audio	Other Materials	Plant Operation (Library)	Equipment	Other	In-Kind Fringe Benefits	In-Kind Plant Operation

Iowa Public Library Statistics, 1998-1999

Collections

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Collections section lists the number of total items available for use as of June 30, 1999, including print and non-print materials. The percent of the collection added and withdrawn during the year and the number of items per person is also listed.

Circulation

The listings which follow are in alphabetical order by Size Code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Circulation section lists the number of times various types of library materials were checked out to library customers. The number of circulations per capita is also listed, as is the number of items loaned to other libraries (ILL Provided). The turnover rate shows how many times, on average, each item in the collection was checked out.

Iowa Public Library Statistics, 1998-1999

Other

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Other section includes information about staff full-time equivalents (FTE) and director hourly salary, as well as information about registered borrowers, library visits, reference transactions, square feet of building, attendance at children's programs, number of public Internet computers, and number of users of electronic resources.

Region	Size Code	City	FTE Librarian	FTE Other Staff	MLS FTE	Registered Borrowers	Library Visits	Reference Transactions	Attendance at Children's Programs	Square Feet of Building	Director Salary per Hour \$	Public Internet Computers	Users of Electronic Resources (typical wk.)

STATE LIBRARY OF IOWA

1999 PUBLIC LIBRARY GENERAL INFORMATION SURVEY

(July 1, 1998-June 30, 1999)

Part I-General Information

Information in this section will be used to identify the library and to ensure that the data reported for the library is listed correctly in the Iowa Public Library Statistics. Enter data in boxes with double lines.

1.	City			1.
2.	County			2.
3.	Region		Note: Use two-character abbreviation only	3.
4.	Actual Name of Library			4.
5.	Library Director/Administrator			5.

Line 3 **REGION.** Use the two-character abbreviation only. Use the abbreviation for your region. CE=Central, EC=East Central, NC=North Central, NE=Northeast, NW=Northwest; SE=Southeast, SW=Southwest. If you are not sure in which region you are located, please call the State Library (1-800-248-4483) for help.

Line 4 **ACTUAL NAME OF LIBRARY.** Put the name of your library (for example: Carnegie-Stout Public Library).

Line 5 **LIBRARY DIRECTOR/ADMINISTRATOR.** This is the name of the person hired to be responsible for operating the library.

Part II-Staff

INCLUDE UNFILLED POSITIONS IF A SEARCH IS CURRENTLY UNDERWAY. INCLUDE ALL EMPLOYEES PAID BY THE LIBRARY

		Positions by Number and FTE		
		A	B	
		Number of Staff in Position	Total FTE by Position	
6.	Paid Librarians			6.
7.	All Other Paid Staff			7.

Lines 6-7 **FULL-TIME EQUIVALENT EMPLOYEES.** Report figures as of the last day of the fiscal year. To ensure comparable data, 40 hours per week has been set as the measure of full-time employment for this survey. To compute full-time equivalents (FTE) of employees in any category, take the number of hours worked per week by all employees in that category and divide it by 40. When figuring the Full-Time Equivalents (FTE), carry your figure to two decimal places, but no more than two. Examples: ABC Library has 2 librarians and 1 clerical employee. One librarian works 20 hours per week, the other works 6. Examples of Lines 6-7 would look like this:

Line 6 **PAID LIBRARIANS.** 2 00.65 The 00.65 was the result of dividing 26 total hours by 40. Persons with the title of librarian do paid work that usually requires professional training and skill in the theoretical or scientific aspects of library work, or both, as distinct from its mechanical or clerical aspect. Staff members are considered librarians if they do professional library work such as administration, reference, cataloging, or selection.

Line 7 **ALL OTHER PAID STAFF.** 1 00.13 The 00.13 was arrived at by dividing 5 hours by 40.

This includes all other FTE employees paid from the reporting unit budget, including plant operations, security, and maintenance staff. For example, a clerical worker who works 5 hours per week is .13 FTE.

Levels of Education			
			Total FTE
8.	Masters of Library Science		8.
9.	Other College Degree (2 or 4 year) (exclude #8)		9.
10.	High School Graduate (exclude #8 and #9)		10.

Line 8-10 **LEVELS OF EDUCATION** Use the directions above (6-7) to compute full-time equivalents (FTE) for each level of education. FTE is reported only at the highest level of education completed and not included again for the other levels completed.

Volunteers			
11.	Number of Volunteers		11.
12.	Annual Total Number of Hours Worked by Volunteers		12.

Line 11 **NUMBER OF VOLUNTEERS.** Report unpaid library workers. Do not include Green Thumb employees or employees paid by another agency.

Education Level Achieved by Director (check one)		
Masters in Library Science	<input type="checkbox"/>	Two-year college degree
Other Masters Degree	<input type="checkbox"/>	Some college
Bachelors in Library Science	<input type="checkbox"/>	High School Graduate (or equivalent)
Other Bachelors Degree	<input type="checkbox"/>	Did not graduate from High School

Certification		
Is the library director certified by the State Library? (Y or N)		
Number of other staff members certified?		

Part III-Library Income

Show all sources of funds for 1998-99.

REPORT ALL INCOME AS WHOLE DOLLARS ONLY; OMIT CENTS. If your library does not have an item in its budget or if the information is not available, enter NA. Include any funds carried over from the previous year. Enter each source of income on only one line, e.g. if fines and/or fees are included in Line 13, enter "0" in Line 21.

Total Governmental Income					
13.	City Appropriation				13.
14.	Special City Appropriation for Capital Outlay	Do Not Include in #13			14.
15.	County Appropriation (Enter Name of County)	County			15.
15a.	Other County Appropriation	County			15a.
16.	Federal Assistance				16.
17.	Access Plus and Open Access				17.
17a.	State of Iowa Revenues				17a.
18.	Income from other contracting cities				18.
18a.	Other Governmental Revenue				18a.

Lines 13-15 **LOCAL GOVERNMENT SOURCES.** All tax and non-tax receipts allocated by the city (Line #13) or county (Line #15) of the public library, and available for expenditure by the public library. Do NOT include here the value of any contributed or in-kind services and the value of any gifts and donations, fines or fees. In-kind is the provision of services by another agency in place of some cash support, such as a situation in which the city pays the electricity for the library, but not out of the library budget.

Line 14 **CAPITAL OUTLAY.** All income from the city budgeted for fixed assets or additions to fixed assets, except for the purchase of library equipment. Include income budgeted for sites, buildings, additions to buildings and furnishings.

Line 15, 15a **COUNTY APPROPRIATION.** List the county from which you receive the majority of funding on Line 15, with the name of the county and the amount received. List the county from which you receive other funding on Line 15a, with the name of the county and the amount received. If funding is received from more than 2 counties, list additional counties and amounts on a separate attachment.

Line 16 **FEDERAL ASSISTANCE.** All revenue received from Federal sources.

Line 17 **OPEN ACCESS AND ACCESS PLUS.** Include payments received for Open Access and Access Plus programs.

Line 17a **STATE OF IOWA REVENUES.** Include any state funds other than Open Access or Access Plus.

Line 18 **INCOME FROM OTHER CONTRACTING CITIES.** Include all funds from contracts for service with other cities, not including your own.

Line 18a **OTHER GOVERNMENTAL REVENUES.** All funding, for services rendered, from governmental sources other than those listed in lines 13-18.

Total Non-Governmental Income					19.
19.	Other Grants (Total)				19a.
19a.	List Grants (#19) Individually, by Title and Amount				
19a. (Continued)					
20.	Endowments and Gifts				20.
21.	Fines and/or Fees				21.
22.	Other				22.
22a.	Balance in Savings or Trust Accounts (As of June 1999)				22a.

Line 19 **OTHER GRANTS (Total).** The total revenue from non-governmental grants. A grant is a sum of money given as financial assistance and intended to foster research or innovative projects.

Line 19a. List each grant received and the amount of the grant.

Line 20 **ENDOWMENTS AND GIFTS.** Report all gifts and donations of money from all sources, other than grants (Line 19). Include interest on gifts of money. Do NOT include the value of gifts and donations of books or other library materials and equipment.

Line 21 **FINES AND FEES.** Report all income from overdue fines, non-resident fees, photocopy fees, equipment rental, etc.

Line 22 **OTHER INCOME.** Report all income other than that given in Lines 19-21. Do NOT include the value of any contributed service or the value of "in-kind" gifts and donations.

Line 22a **BALANCE IN SAVINGS OR TRUST ACCOUNTS.** Report the balance held at the end of the year. Interest on these accounts should be included in Line 20.

Operating Income			
23a.	Local Government Operating Income (#13,15,15a,18,18a) spent for operating costs		23a.
23b.	State Government Operating Income (#17, 17a) spent for operating costs		23b.
23c.	Federal Government Operating Income (#16) spent for operating costs		23c.
23d.	Non-Governmental Operating Income (#19-22) spent for operating costs		23d.
23e.	Total Operating Income (#23a-23d) spent for operating costs		23e.

Lines 23a-e **OPERATING INCOME.** Operating income is 1998-99 income which was used to operate the library in 1998-99. Report only income used for operating expenditures. If the library received \$30,000 in income from all sources but only spent \$25,000 for standard operating expenditures, the operating income would be \$25,000. Include federal, state, or other grants which were used for operating expenditures. Do not include: income for major capital expenditures; contributions to endowments unspent in fiscal year 1999; income passed through to another agency; income such as gift funds or city income placed in a Trust and Agency account; or any funds unspent in the previous fiscal year.

Line 23a **OPERATING INCOME FROM LOCAL GOVERNMENT.** Report tax and nontax receipts allocated by the community, district, or county of the public library and available for expenditure by the public library. Do not include here the value of any contributed or in-kind services and the value of any gifts and donations, fines, or fees. Calculate operating income as follows:

(a1) Calculate the amount of city appropriation (Line 13) which is operating income _____;

(a2) Calculate the amount of county appropriation (Line 15, 15a) which is operating income _____;

(a3) Calculate the amount of other government revenue (Line 18, 18a) which is operating income _____;

•Total a1, a2 and a3 to find the total operating income from local government.

Line 23b **OPERATING INCOME FROM STATE GOVERNMENT.** Report funds distributed to public libraries by state government for expenditure by the public libraries. This includes funds from such sources as Open Access and Access Plus in FY 1999 in Line 17 and other state funding in Line 17a. Do not include federal monies distributed by the states. Calculate the amount of income from state government (Line 17, 17a) which was used as operating income.

Line 23c **OPERATING INCOME FROM THE FEDERAL GOVERNMENT.** Report federal government funds distributed to public libraries, including LSTA monies distributed by the states. Calculate the amount of income from the federal government (Line 16) which was used for operating expenses. Do not count funds which were received as income but not completely expended during the fiscal year.

Line 23d **OPERATING INCOME FROM OTHER INCOME.** Report operating income other than that reported in Lines 23a through 23c. Include, for example, gifts and donations, interest, library fines, and fees for service used for operating expenditures in FY 1999. (This amount is the total of income from Line 19 and 19a, (other grants), Line 20, (endowments and gifts), Line 21, (fines and fees),

and Line 22, (other income) spent in the current year). Do not include the value of any contributed services or the value of "in-kind" gifts and donations.

Line 23e **TOTAL OPERATING INCOME.** Sum of Lines 23a through 23d. Total operating income should be in the range of 75-125% of total operating expenditures (Line 38a).

Part IV-Expenditures

All expenditures including grants and cooperative arrangements. If your library does not have an item in the budget, (e.g. utilities, benefits, etc.), or if an item is not available or not applicable, enter NA. Round all numbers to the nearest whole dollar.

Standard Operating Expenditures			
24.	Salaries and Wages (before deductions)		24.
25.	Employee Benefits if Paid by Library (Insurance, Social Security, retirement, etc.)		25.
26.	Employee Benefits if Paid by City/County		26.
27.	Print Materials(excluding serial subscriptions and microforms but including paperbacks)		27.
28.	Serial subscriptions (All formats including microfiche or microfilm)		28.
29.	Microforms (except serial subscriptions)		29.
30.	Video Recordings (All formats)		30.
31.	Audio Recordings (All formats)		31.
32.	Films (All formats)		32.
33.	Computer Software		33.
33a.	Library Materials in Electronic Format		33a.
33b.	Electronic Access		33b.
34.	Other Materials		34.
35.	Plant Operation if Paid by Library (Phone, heat, lights, cooling)		35.
36.	Value of Plant Operation if Paid by City/County		36.
37.	Equipment		37.
38.	All Other Operating Expenditures		38.
38a.	Total of All Operating Expenditures (#24-#38, excluding #26 and #36)		38a.
Capital Outlay			
39.	Capital Outlay for Sites, Buildings, Remodeling of Old Buildings		39.

To ensure accurate reporting, consult your business officer or city clerk regarding this section. Report only such monies expended during the 1999 fiscal year, regardless of when the monies may have been received from Federal, State, local or other sources. REPORT ALL EXPENDITURES AS WHOLE DOLLARS ONLY, OMIT CENTS. If your library does not have an item in your budget or the information is not available, enter NA.

Line 24 **SALARIES AND WAGES.** This amount should be the salaries and wages for all library staff for the fiscal year. Include salaries and wages before deductions, but exclude "employee benefits."

- Line 25, 26 **EMPLOYEE (Fringe) BENEFITS.** The benefits outside of salaries and wages paid and accruing to employees regardless of whether the benefits or equivalent cash options are available to all employees. Include amounts spent by the reporting unit for direct, paid employee benefits including Social Security, retirement, medical insurance, life insurance, guaranteed disability income protection, unemployment compensation, workmen's compensation, tuition, and housing benefits. Employee benefits paid out of the public library budget should be reported on Line 25. The actual amount of employee benefits paid by the city/county is reported in Line 26.
- Line 27 **PRINT MATERIALS.** Materials consisting primarily of words and usually produced by making an impression with ink on paper. Included in this category are materials that do not require magnification: books (Line #40), bound periodicals, paperback books, government documents, braille materials, ephemeral print materials, and the like.
- Line 28 **SERIAL (Periodical) SUBSCRIPTIONS.** Include here the cost of serial subscriptions, which are publications issued in successive parts, usually at regular intervals, and as a rule, intended to be continued indefinitely. Serials include periodicals, magazines, newspapers, annuals (reports, yearbooks, etc.), proceedings, and transactions of societies.
- Line 29 **MICROFORMS.** Include here the expenditures for microforms, which are photographic reproductions of textual, tabular, or graphic materials reduced in size so that they can normally be used only with magnification. The two main types of microforms are microreproductions on transparent material, including roll microfilm, aperture cards, microfiche and ultrafiche, and reproductions on opaque material.
- Lines 30-32 See definitions for Video Materials (Line #46), Audio Materials (Line #44), Film (Line #45)
- Line 33 **COMPUTER SOFTWARE.** Enter expenditures for computer software, which includes procedures and associated documentation that instruct the computer to perform certain types of tasks, in contrast to the physical components or devices of a computer (hardware) (for example, WordPerfect, Paradox, Lotus 123, Pagemaker, etc.)
- Line 33a **OPERATING EXPENDITURES FOR LIBRARY MATERIALS IN ELECTRONIC FORMAT.** For the most part, expenditures should be for CD-ROMs, disks, or tapes. In some cases where a computer was included as part of the package (InfoTrac, for example), the cost of the entire product should be included. Estimates are acceptable for this question, and are actually encouraged. Don't include expenditures for the types of items in Line 33b.
- Report operating expenditures for materials considered part of the collection, whether purchased or leased, such as CD-ROMs, magnetic tapes, and magnetic discs, that are designed to be processed by a computer or similar machine. Examples are U.S. Census data tapes, locally-mounted databases, serials, and reference tools. Include operating expenditures for equipment when the cost is inseparably bundled into the price of the information service product. Exclude operating expenditures for library system software and microcomputer software used only by the library staff. *Don't include items that were reported as Capital Outlay, Line 39.*
- 33b. **OPERATING EXPENDITURES FOR ELECTRONIC ACCESS.** Report only operating expenditures, not capital expenditures for new computer systems. *Don't include items reported in Line 33a.*
- Report all operating expenditures from the library budget associated with access to electronic materials and services. Include computer hardware and software used to support library operations, whether purchased or leased, mainframe and microcomputer. Include expenditures for maintenance. Include expenditures for equipment used to run information service products when that expenditure can be separated from the price of the product. Report expenditures for services provided by national, regional and local bibliographic utilities, networks, consortia and commercial services. Report all fees and usage costs associated with such services as OCLC FirstSearch or electronic document delivery. *Include miscellaneous items such as phone lines, computer paper, and other supplies.*
- Line 34 **OTHER MATERIAL.** Include all expenditures for materials not reported on lines 27-33b, such as puzzles, art prints, vertical file subject heading (not individual items), filmstrips, etc.
- Lines 35-37 **PLANT OPERATION AND MAINTENANCE.** Operation of Plant consists of the housekeeping activities concerned with keeping the physical plant open and ready for use. It includes rent (if applicable), cleaning, disinfecting, heating, lighting, communications, Internet service, power, moving furniture, handling supplies, caring for grounds, and other such housekeeping activities as are repeated somewhat regularly on a daily, weekly, monthly, or seasonal basis. Include minor repairs (e.g. broken windows).

- Line 36 **VALUE OF PLANT OPERATION.** If the library does not pay all of the costs associated with operating and maintaining the library, report the actual amount paid by the city (e.g. city pays for heat, light) on line 36; if library budget includes money for telephone, rent, cleaning, etc., report on line 35.
- Line 37 **EQUIPMENT.** Include expenditures for all library equipment purchased during the 1999 fiscal year. Includes microform equipment, audiovisual equipment computer workstations, and computer-related equipment
- Line 38 **ALL OTHER OPERATING EXPENDITURES.** Include all expenditures other than those given in lines 24-37.
- Line 39 **CAPITAL OUTLAY.** Include funds for the acquisition of or additions to fixed assets such as building sites, new buildings and building additions, new equipment (including major computer installations), initial book stock, furnishings for new or expanded buildings, and new vehicles. This excludes replacement and repair of existing furnishings and equipment, regular purchase of library materials, and investments for capital appreciation.

Part V-Library Collection

Use Fiscal Year beginning July 1, 1998			A	B	C	
			Held at Start of Year	# Added During Year	# Withdrawn During Year	Held at End of Year (Optional)
40.	Books and Serials (Number of volumes)					40.
41.	Government Documents (If not already counted in #40, number of volumes)					41.
42.	Current Serial/Periodical Subscriptions (Include periodicals and newspapers in any format, number of titles)					42.
43.	Books in Microfilm Format (Report number of titles; exclude serials and duplicate copies)					43.
44.	Audio Materials (Number of volumes)					44.
45.	Films (Number of volumes)					45.
46.	Video Materials (Number of volumes)					46.
47.	Computer Application Software (Number of volumes)					47.
48.	Other Library Materials (# of volumes)					48.

- A **NUMBER HELD AT START OF YEAR** - The number of volumes and/or the number of titles owned by the library at the start of the fiscal year (July 1, 1998).
- B **NUMBER ADDED DURING FISCAL YEAR** - The number of volumes and/or titles added to the collection during the fiscal year whether through purchase or donation.
- C **WITHDRAWN DURING FISCAL YEAR** - The number of volumes and/or titles "weeded" or lost during the fiscal year.

- Line 40 **BOOKS AND SERIALS.** Books are nonperiodical printed publications bound in hard or soft covers, or in loose-leaf format. Serials are publications issued in successive parts, usually at regular intervals, and as a rule, intended to be continued indefinitely. Serials include periodicals (magazines), newspapers, annuals (reports, yearbooks, etc.) memoirs, proceedings, and transactions of societies. Include books, bound periodicals and newspapers, government documents, and paperbacks. Exclude microforms

and pamphlets. Except for the current volume, count unbound serials as volumes when the library has at least half of the issues in a publisher's volume.

- Line 40 **VOLUMES.** For reporting purposes, a volume is a physical unit of any printed, typewritten, handwritten, mimeographed, or processed work, contained in one binding or portfolio, hardbound or paperbound, which has been cataloged, classified, and/or otherwise made ready for use. Include estimate of unprocessed paperbacks here.
- Line 40, 41 **GOVERNMENT DOCUMENT.** Any publication in book, serial, or other form of library material that is published by a government agency, e.g., the publications of federal, state, local, and foreign governments and of intergovernmental organizations to which governments belong and appoint representatives, such as the United Nations, Organization of American States, and the Erie Basic Commission. Do not include pamphlets.
- Line 42 **CURRENT SERIALS/PERIODICAL SUBSCRIPTIONS.** This refers to the arrangements by which, in return for a sum paid in advance, periodicals, newspapers, or other serials are provided for a specified number of issues. Count subscriptions purchased from the library's budget and those donated to the library as gifts. Count titles, including duplicates, not individual issues. Include the total number of subscriptions for all outlets.
- Line 42, 43 **TITLES.** For reporting purposes, a title is a publication which forms a separate bibliographic whole, whether issued in one or several volumes, reels, discs, slides, or parts. See Line 29 for a definition of **Microfilm**.
- Line 44 **AUDIO MATERIAL.** A generic term for material on which sounds (only) are stored (recorded) and that can be reproduced (played back) mechanically or electronically, or both. This includes records, audiocassettes, audiocassettes, audiocassettes, audiocassettes, audioreels, talking books, and other sound recordings.
- Line 45 **FILM.** The term film is used interchangeably with "motion picture" which is a length of film, with or without recorded sound, bearing a sequence of still images that create the illusion of movement when projected in rapid succession (usually 18 to 24 frames per second). Motion pictures are produced in a variety of formats (cartridge, cassette, loop, and reel). Motion picture sizes may be 8mm, super 8mm, 16mm, 35mm, 55mm or 70 mm. Count filmstrips under **Other** (Line 48).
- Line 46 **VIDEO MATERIAL.** These are materials on which pictures are recorded, with or without sound. Electronic playback reproduces pictures, with or without sound, using a television receiver or monitor.
- Line 47 **COMPUTER APPLICATION SOFTWARE.** Includes procedures and associated documentation that instruct the computer to perform certain types of tasks, in contrast to the physical components or devices of a computer (hardware) (for example, WordPerfect, Paradox, Quattro Pro, etc.)
- Line 48 **OTHER.** Include all materials not already reported, such as CD-ROM based information products (for example, electronic encyclopedias on CD-ROM), puzzles, art prints, vertical file subject heading (not individual items), filmstrips, etc.

Part VI-Library Loan Transactions

Circulation Transactions				
49.	Adult Books			49.
50.	Children's Books			50.
51.	Films			51.
52.	Video Recordings			52.
53.	Audio Recordings			53.
54.	Periodicals			54.
55.	All Other Items			55.

56.	Total Circulation			56.
56a.	Circulation to Reciprocal Borrowers			56a.
56b.	Total Annual Circulation to the Rural Population of Your Own County			56b.
56c.	Total Annual Circulation to Contracting Cities			56c.
56d.	Total Annual Circulation to Your Own City			56d.
Interlibrary Loan				
57.	Received from other libraries			57.
58.	Provided to other libraries			58.
Registration				
59.	Registration (As of July 1, 1998)			59.
60.	Number of Registered Borrowers Added			60.
61.	Number of Registered Borrowers Withdrawn			61.
61a.	Current Total Registration			61a.
61b.	Year Registration Files Were Last Weeded			61b.
Materials Use/Attendance				
62.	In-Library Materials Use Annually			62.
63.	Total Annual Attendance in Library			63.

Lines 49-56d **CIRCULATION TRANSACTION.** The total annual circulation of all library materials of all types, including renewals.

Note: Count all materials in all formats that are charged out for use outside the library. Count Interlibrary loan transactions only for items borrowed and checked out to customers. Do not include items checked out to another library. (**Do not use circulation multipliers. For example, if a film is checked out and shown to 30 people, count 1 circulation, not 30. Do not report "automatic renewals" as circulation.**) Report annual totals.

Line 50 **CIRCULATION OF CHILDREN'S BOOKS.** Children's books are those which are intended for use by persons age 14 and under regardless of the age of the person who checks out the book.

Line 56a **RECIPROCAL BORROWER.** A nonresident borrower with a valid library card from another library. Include only circulations to Iowa library patrons. Do not include circulations to patrons served by contracts with cities or counties. This is an annual total, but it may be based on a sample period survey. For a 1 week sample, multiply the sample period total by 52. (Reciprocal borrowers are those who would qualify as Open Access participants, even if their library is not an Open Access participant.)

Line 56b **RURAL CIRCULATION.** This is circulation of all types of materials to persons who are rural residents of your county. Also include those who have a valid card from another city but who actually live in the unincorporated area of the county.

Line 56d **CITY CIRCULATION.** This is circulation of all types of materials to those who actually live within the city limits of the city your library was established by ordinance to serve. Do not count here circulation to rural residents who have a library card from your city library.

Line 57-58 **INTERLIBRARY LOAN.** A transaction in which library material, or a copy of the material, is made available by one library to another upon request. It includes both lending and borrowing. The libraries involved in interlibrary loan are not under the same administration. Include items loaned to or borrowed from the State Library or the Regional Library, including A/V. Report annual totals.

- Line 59 **REGISTRATION.** Report the total number of people holding valid library cards as of July 1, 1998. (If your library does not now have an accurate method of counting registration, for purposes of consistency the State Library recommends using a 3 year registration period. Multiply the total number of patrons registered during the last fiscal year (1998-99) by 3 to get your estimated total number of library registrations.)
- Lines 60-61 **REGISTERED BORROWERS.** Report the total number of registered borrowers added and withdrawn in FY 1999.
- Line 62 **LIBRARY MATERIALS USE.** Report the total number of materials used in the library, but not checked out. This includes reference books, periodicals and all other library materials used within the library. Follow the instructions in the Output Measures manual, but conduct a one week sample. Multiply by 52 to calculate an annual total. Annual totals based on a daily count are also acceptable.
- Line 63 **TOTAL ANNUAL ATTENDANCE IN LIBRARY.** Report the total number of persons entering the library annually including persons attending activities, meetings, and those persons requiring no staff services. Follow the instructions in the Output Measures manual, but conduct a one week sample. Multiply by 52 to calculate an annual total, which is used by the national statistics project. Annual totals based on a daily count are also acceptable. This information is required annually for the national statistics project, FSCS.

Part VII-Output Measures

In collecting and reporting output measures, please follow the definitions and instructions provided in the Output Measures for Public Libraries, second edition, except the instructions concerning sample period. Use a one-week sample. Do not report annual figures in this section. If data is collected in two one-week periods, add the totals and divide by 2 to provide a one-week figure. In keeping with the recommendations of the Standards Committee, the State Library recommends that Output Measures surveys be conducted every 3 years. Report only the results of surveys conducted in the past year.

Reference Fill Rate (In a Typical Week)				
64.	Number of Reference Transactions		<input type="text"/>	64.
65.	Number of Reference Transactions Completed in the Same Working Day		<input type="text"/>	65.
Title Fill Rate (In a Typical Week)				
66.	Number of Titles Sought		<input type="text"/>	66.
67.	Number of Titles Found		<input type="text"/>	67.
Subject and Author Fill Rate (In a Typical Week)				
68.	Number of Subjects and Authors Sought		<input type="text"/>	68.
69.	Number of Subjects and Authors Found		<input type="text"/>	69.
Browsers Fill Rate (In a Typical Week)				
70.	Number of Browsers Seeking Material		<input type="text"/>	70.
71.	Number of Browsers Finding Something		<input type="text"/>	71.
Document Delivery (In a Typical Week)				
72.	Number of Requests for Materials Not Immediately Available		<input type="text"/>	72.

73.	Materials Delivered Within 24 Hours			73.
74.	Materials Delivered Within 3 Days (excluding #73)			74.
75.	Materials Delivered Within 7 Days (excluding #73-74)			75.
76.	Materials Delivered Within 14 Days (excluding #73-75)			76.
77.	Materials Delivered Within 30 Days (excluding #73-76)			77.

Line 64 **NUMBER OF REFERENCE TRANSACTIONS.** Definition: A reference transaction is an information contact which involves the knowledge, use, recommendations, interpretation or instruction in the use of one or more information sources by a member of the library staff. The term includes information and referral service. Information sources include printed and non-printed materials, Internet, FirstSearch, machine-readable databases, catalogs and other holdings, records, and through communication or referral, other libraries and institutions and persons both inside and outside the library. The request may come in person, by phone, by fax, mail, or by electronic mail from an adult, a young adult, or a child.

Do not count directional transactions or questions of rules or policies. Examples of directional transactions are "Where are the children's books?" and "I'm looking for a book with call number 612.3." An example of a question of rules or policies is "Are you open until 9:00 tonight?"

Note: If an actual count of reference transactions is unavailable, determine an annual estimate by counting reference transactions during a typical week in October and multiply the count by 52. A "typical week" is a time that is neither unusually busy or unusually slow. Avoid holiday times, vacation times for key staff, or days when unusual events are taking place in the community or in the library. Choose a week in which the library is open its regular hours. Include seven consecutive calendar days, from Sunday through Saturday (or whenever the library is usually open.)

Line 65 **NUMBER OF REFERENCE TRANSACTIONS COMPLETED.** Report the number of reference questions completed in the same working day in which they were asked.

Line 72-77 **DOCUMENT DELIVERY.** This is a measure of how rapidly items are obtained which are not immediately available. "Document" in this sense means anything requested by a patron. In the Output Measures manual you will find instructions for how to count the delivery times. Delivery means any method used to fill the request, including interlibrary loan and reserves.

Part VIII-FSCS Statistics

These items are specifically formatted to be reported to the Federal State Cooperative System (FSCS) for Public Library Statistics

Number of Service Outlets				
78.	Central Library Facility			78.
79.	Branches			79.
80.	Bookmobile			80.
81.	Other Service Outlets			81.
Other FSCS				
82.	Total Number of Reference Transactions in 1998-99			82.
83.	FTE with ALA Accredited MLS			83.

84.	Total Number of Hours Open Each Week (Main Library)			84.
85.	Total Number of Hours Open Annually (Duplicated)			85.
86.	Total Circulation of All Materials Cataloged as "Children's"			86.
87.	Total Number of People Attending Library Programs for Children			87.
Note on #87: Regardless of the age of the participant				

Lines 78-81 **NUMBER OF SERVICE OUTLETS.** Use this section to report all service outlets as defined below. Service units that are **NOT OPEN TO THE PUBLIC** are **NOT** to be reported as public service outlets. Service must be provided on a regular basis throughout the year.

Line 78 **CENTRAL LIBRARY.** Enter the number of Central Libraries. A Central Library is the single unit library or the unit where the principal collections are kept and handled. Also called Main Library. Some county, multicounty and regional library systems may not have a main library. Some systems may have an administrative center which is separate from the principal collections and is not open to the public.

Line 79 **BRANCHES.** Enter the number of branch libraries. A branch library is an auxiliary unit of an Administrative Entity which has at least all of the following: (1) separate quarters, (2) an organized collection of library materials, (3) paid staff, and (4) regularly scheduled hours for opening to the public.

Line 80 **BOOKMOBILES.** These are trucks or vans specially equipped to carry books and other library materials; they serve as traveling branch libraries. Count the number of vehicles in use rather than the number of stops the vehicle makes.

Line 81 **OTHER SERVICE OUTLETS.** Enter the number of other service outlets. Examples are outlets in senior citizen centers, day care centers, jails, or other organizations or institutions with small and frequently changed collections of books and other library materials.

Line 82 **TOTAL NUMBER OF REFERENCE TRANSACTIONS.** See definition of reference transaction (Line 64). This total is obtained by multiplying the number of reference transactions in a sample period by the appropriate multiplier to arrive at an annual figure (i.e., if there were 100 transactions in a week, the total would be 100 x 52, or 5200).

Line 83 **FTE with ALA ACCREDITED MLS** from an institution accredited at the time of graduation. FTE is Full Time Equivalent (Line #6-7), ALA is the American Library Association, MLS is the Master of Library Science degree.

Line 84 **HOURS OPEN PER TYPICAL WEEK.** (Main Library) The total of hours open in a typical week.

Line 85 **TOTAL HOURS OPEN PER YEAR.** (Duplicated) Total annual public service hours for all outlets combined. If the library has no branches or bookmobiles, has the same hours year-round, and was not closed other than the regularly scheduled days and times, multiply the value given in #84 times 50 to determine the value for #85. For example, if the library was open 20 hours per week year-round and was not closed for construction or repairs, #84 is 20 and #85 is 1000. If the library had summer hours which were less or greater than winter hours, or has branches or bookmobiles, or was closed for repair or remodeling, one of the following scenarios may apply.

Report the sum of all public service hours for all library facilities (including bookmobiles) for the entire year. For bookmobiles, report only the hours in which the bookmobile is open to the public. Include only branches or bookmobiles which conform to the definitions in Line 79 or Line 80. Do not include hours for deposit collections or other similar service hours. Total annual hours should reflect any increase or decrease in hours during "summer hours." Subtract the total hours that the main library, bookmobiles, or branches were closed other than regularly scheduled days or hours. Line 85 is intended to report the exact number of hours your library was open last year. There are several possible scenarios. These are examples, for the purpose of illustration only:

SCENARIO ONE: The library is open the same number of hours year-round and was closed only for regularly scheduled days and times. Multiply hours open per week times 50 weeks.

99. List cities your library serves by informal contract, with populations _____
100. Annual meeting room use _____
(Not library sponsored. This measure is not in the Output Measures manual. It is to be used to count the number of times the room is used for non-library programs.)
101. Did your library income from the city include a one-time special appropriation? Yes _____ No _____
(If yes, amount appropriated \$ _____ Purpose _____)
102. Number of total library materials (volumes) cataloged as children's owned by the library _____
(As of June 30, 1999, if available)
103. Amount spent for continuing education \$ _____ Include all expenditures related to training of library staff or trustees.
- Line 98 **TOTAL POPULATION OF CITIES YOUR LIBRARY SERVES BY CONTRACT.** Contracts are written and specify services provided and amount of annual compensation. Do not include contracts with county supervisors for rural service.
- Line 99 **TOTAL POPULATION OF CITIES YOUR LIBRARY SERVES BY INFORMAL CONTRACT.** List cities in your county which have no library, whose citizens use your library, but which have no formal contract with your library. Also list total population for those cities.
- Line 100 **ANNUAL MEETING ROOM USE.** Report the number of times the library's meeting room(s) is used for non-library sponsored programs or meetings.
- Line 102 **NUMBER OF TOTAL LIBRARY MATERIALS (VOLUMES) CATALOGED AS CHILDREN'S OWNED BY THE LIBRARY** (As of June 30, 1999). Include all items counted in Lines 40-48 which are cataloged as children's. (If available)

FSCS ELECTRONIC TECHNOLOGY SURVEY

The U.S. Department of Education is collecting information on electronic technology in public libraries. This survey contains 10 questions.

Leave blank any of the questions that do not apply to your library.

The first three questions have to do with the status of electronic technology as of the date the question is answered. These questions require only YES or NO answers.

104. **DOES THE PUBLIC LIBRARY HAVE ACCESS TO THE INTERNET?** Please check the appropriate box based on the following definition. Libraries that have Internet service from SILONET, INS, or other service providers should answer YES to this question. Also, libraries that participate in the FirstSearch project should answer YES to this question.

Yes		No	
-----	--	----	--

The Internet is the collection of networks that connect government, university and commercial agencies and is unified by the use of a single protocol suite, TCP/IP. Note: Report the library as having Internet access only if one or more of the following services are accessible: world wide web, telnet, file transfer protocol, or community network. Do not report a library that has access to electronic mail only.

105. IF THE LIBRARY HAS INTERNET ACCESS, ANSWER YES OR NO TO EACH OF THE FOLLOWING QUESTIONS. Only one selection should be checked as a YES.

Library staff only?	Yes		No	
Staff and patrons (with staff assistance)?	Yes		No	
Staff and patrons (staff assistance is optional)?	Yes		No	

106. DOES YOUR LIBRARY PROVIDE ACCESS TO ELECTRONIC SERVICES (E.G., BIBLIOGRAPHIC AND FULL-TEXT DATABASES, MULTI-MEDIA PRODUCTS)? This would include online services such as Dialog or FirstSearch as well as in-house resources such as CD-ROM based periodical indexes (e.g., InfoTrac).

Yes		No	
-----	--	----	--

These are electronic services provided either in the library or by remote access to the library. Include resources owned or leased by the library and access to remote databases and commercial services. Included are both direct patron access and staff access on behalf of patrons. Do not include Internet access.

107. NUMBER OF LIBRARY MATERIALS IN ELECTRONIC FORMAT. Do not include computer application software for programs such as WordPerfect or Excel. Include materials that are currently reported as Other Library Materials, Line 48, such as CD-ROM based encyclopedias (e.g., Grolier) and other reference materials. Report the number of units.

Number of library materials in electronic format	
--	--

Report the number of physical units such as CD-ROMs, magnetic tapes and magnetic disks that are designed to be processed by a computer. Examples are U.S. Census data tapes, locally-mounted databases, reference tools, and serials on CD-ROM, tape, or floppy disk. Exclude bibliographic records used to manage the collection, library system software, and microcomputer software used only by the library staff.

108. NUMBER OF INTERNET COMPUTERS FOR STAFF USE ONLY. Report only Internet computers that are never used by the public.

Number of Internet computers for staff use only	
---	--

109. NUMBER OF INTERNET COMPUTERS FOR PUBLIC USE. Include computers that are also used by staff and public, and by public only.

Number of Internet computers for public use	
---	--

110. ARE THE INTERNET COMPUTERS IN THE LIBRARY CONNECTED TO A LAN? Report yes or no. A LAN is a local area network that connects computers within a building. Do not report stand-alone computers.

Are the Internet computers in the library connected to a LAN?	
---	--

11. IF THE LIBRARY HAS A DIRECT, LEASED-LINE INTERNET CONNECTION, WHAT IS THE BANDWIDTH/SPEED OF THE CONNECTION? Indicate 56k, T-1, or Other. Do not include analog, dial-up connections. Leased-line refers to a phone line that is rented for exclusive 24-hour, 7-days-a-week use from your location to another location. The highest speed data connections require a leased line. A direct connection is made with digital equipment such as a LAN hub, a CSU/DSU unit, and a router.

111. What is the bandwidth/speed of the direct, leased-line Internet connection?	
---	--

11a. If Other, please specify: _____

12. NUMBER OF USERS OF ELECTRONIC RESOURCES IN A TYPICAL WEEK. Count the number of customers using electronic resources in the library in a typical week. Electronic resources include, but are not limited to, Internet (WWW, e-mail, telnet, other), online indexes, cd-rom reference sources, and the online catalog. Do not include staff use of the resources.

Number of users of electronic resources in a typical week	
--	--

Note: The number of users may be counted electronically using software, or manually, using registration logs or the enclosed Electronic Usage Survey. Count each customer that uses the electronic resources, regardless of the amount of time spent on the computer. A customer who uses the library's electronic resources three times in a week would count as three customers. For confidentiality purposes, it is recommended that, after recording the needed statistics, logs be discarded each day.
